Lange <http://int.blog.com> pradedant kurti reikia atlikti tris žingsnius:

1. Užsiregistruoti
2. Sukurti blog'ą
3. Redaguoti blog'ą

Išsikvietus **Signup** langą pasirinkite **Sign up for a free Blog.com account**

The screenshot shows the Blog.com website in a Windows Internet Explorer browser. The address bar displays `http://int.blog.com/free/`. The page features a blue header with the **blog.com** logo and navigation links for **HOME**, **SIGNUP**, and **FEATURES**. A banner for **Stress FREE Web Hosting** and **FREE Blogging Software** is visible, along with a **Superb Hosting** logo. The main content area has a green square icon and a blue rounded rectangle containing the text **Blogging is Free!**. Below this, several paragraphs describe the benefits of free accounts, including unlimited posting bandwidth and storage quotas. At the bottom of the text, a red arrow points to the underlined link [Sign up for a free Blog.com account](#). The Windows taskbar at the bottom shows the Start button, several open applications, and the system clock at 11:48 PM.

Lange **Create User** užsiregiustruokite t.y. užpildykite visus reikiamus langelius

The image shows a screenshot of a web browser window titled "Create account at Blog.com - Windows Internet Explorer". The address bar shows the URL "http://int.blog.com/signup/user/". The page content includes the "blog.com" logo and a navigation bar with three steps: "1 Create User", "2 Create Blog", and "3 Customize Blog". The "1 Create User" step is highlighted with a green circle. Below this, there is a registration form with the following fields and instructions:

First Name	<input type="text"/>	Your personal information will be kept private
Last Name	<input type="text"/>	Your family name, or last name.
Nickname	<input type="text"/>	Name you'll use to sign your posts.
Email	<input type="text"/>	In future visits, you'll need to type your email and password to login to blog.com.
Password	<input type="password"/>	Choose an easy to remember but difficult to guess password. If you ever forget your password, we'll send a new password to the email address you typed above.
Password confirmation	<input type="password"/>	Please retype your password to prevent typing errors.
Anti-spam test	<input type="text"/> 	Please copy the text in the image to the input box  This is a measure to avoid blog spam. If you are unable to read the image, please contact our <a href="#">support</a>

The browser's taskbar at the bottom shows the Windows Start button, several open applications, and the system clock displaying "11:48 PM".

## Pereikite prie 2 žingsnio: *sukurkite blog'ą*

The screenshot shows the Blog.com website in a Windows Internet Explorer browser window. The address bar displays "http://int.blog.com/". The page features a login form with fields for "EMAIL" and "PASSWORD", and a "LOST IT?" link, with an "enter" button. Below the login form, a blue banner contains the text "Take these three easy steps to start blogging" and three numbered icons: 1. Signup (person icon), 2. Create Blog (blog icon with a red arrow pointing to it), and 3. Customize Blog (laptop icon). Below the banner, there are sections for "services" (Free blogs, Premium blogs, Upgrade your blog) and "browse blogs" (Just updated, Faces of blogs, Blogs from all over, Blogs by photos). The footer includes "© 2005 Blog.com, Inc. All rights reserved. | Support". The Windows taskbar at the bottom shows the Start button, several open applications, and the system clock at 11:47 PM.

Langelyje **Blog Title** nurodykite blog'o pavadinimą

Langelyje **Blog Adress** nurodykite blog'o adresą

Pereikite prie 3 žingsnio **Customize Blog**: redaguokite savo kuriamą blog'ą

# Pasirinkite blog'o šabloną lange **Select blog template**

The screenshot shows a Windows Internet Explorer browser window displaying the 'Design New Blog' page on Blog.com. The browser's address bar shows the URL 'http://int.blog.com/signup/design/'. The page features the 'blog.com' logo and a progress indicator with three steps: '1 Create User', '2 Create Blog', and '3 Customize Blog'. The current step, '3', is highlighted in a green box and contains the heading 'Select blog template'. Below the heading, there are three instructions: 'As the last step, pick out a template for your blog. To pick out a template, click the thumbnail for your choice below. You may wish to browse our template catalog, by clicking some tags first. There are dozens of templates to choose from.', 'Click on a style tag to narrow blog designs', and 'Click on a style thumbnail to select it for your blog'. A row of style tags is visible: 'cold grey white black blue green orange pink red warm'. Below the instructions, there are three large thumbnail images of blog templates. The first is a white template with a blue header and a colorful image. The second is a dark blue/black template with a glowing orange header. The third is a red template with a circular image. The Windows taskbar at the bottom shows the 'start' button, several icons, and the system tray with the time '12:10 AM'.

Pasirinkite **NEW POST** naujai žinutei rašyti

The screenshot shows the Blog.com dashboard interface. At the top, the user 'zita.variakojiene@kauko.lt' is logged in. The main navigation area includes 'my blogs' and 'my albums'. Under 'my blogs', there is a section for a blog named 'bandymas' with a 'NEW POST' link highlighted by a red arrow. Other links for 'bandymas' include 'LIST POSTS', 'CONFIGURE', and 'VIEW BLOG'. The 'my albums' section shows a message: 'You don't have any albums. To create one please click here'. The 'my profile' section includes links for 'Profile', 'Friends', and 'Messages', and a profile picture placeholder for 'zitavar' with a 'NO PHOTO' button. The 'my stats' section is partially visible at the bottom. The browser's address bar shows 'http://panel.blog.com/?current\_stat=2' and the Windows taskbar at the bottom displays the start button and several open applications.

# Lange **POSTS** – **NEW** pasirinkite norimą temą

Lange **CONFIGURE – EDIT** redaguokite savo blog'ą, nurodylite kitus galinčius prisijungti prie Jūsų blog'o

The screenshot shows the 'Edit blog at Blog.com' interface in a Windows Internet Explorer browser. The page title is 'Edit blog at Blog.com - Windows Internet Explorer' and the URL is 'http://editor.blog.com/blogs/edit/'. The browser's address bar shows 'http://editor.blog.com/blogs/edit/' and the search bar contains 'Google'. The page features a navigation menu with tabs for 'POSTS', 'COMMENTS', 'SIDEBAR', and 'CONFIGURE'. Below the 'CONFIGURE' tab, there are sub-tabs for 'EDIT', 'DESIGN', 'NEW', 'BACKUP', and 'DELETE'. A red arrow points to the 'EDIT' sub-tab, and another red arrow points to the 'CONFIGURE' tab. The main content area is titled 'Current Blog: bandymas' and contains a form for editing blog settings. The form includes fields for 'Title' (bandymas), 'Description', 'Language' (English (US)), 'Timezone' (01:28 20/Jun), 'Date format' (Tuesday, June 19, 2007), 'Max number of posts in main page (10 max):' (10), 'Private:' (checkbox), and 'Email posts:' (checkbox). Below the form is an 'EDIT BLOG' button. A green arrow points to the 'Authors' section, which has a sub-header 'Authors' and a description: 'Here you can add and remove authors from your blog. Authors will be able to manage posts in this blog but won't be able to change the blog preferences or invite other users.' Below this is a table with columns 'EMAIL', 'ROLE', and 'ACTIONS'. The table contains one row with the email 'zita.variakojiene@kauko.lt' and the role 'Owner'.
