April 2013 Valencia	<p>Very useful meeting. Lots of good suggestions from lots of teams.</p> <p>Good big screen in the meeting room and good Internet access on the main computer. But the lack of wireless Internet access was a big disadvantage and we wasted time trying.</p> <p>The Internet access in the Galileo Galilei residence was pretty good.</p> <p>It would have been useful if I had had more time to implement things between Wednesday and Thursday - perhaps I shouldn't have gone to restaurant - although it is useful to talk informally.</p>
