What I liked best about the course:
 Cecilia explains everything very well, she is very knowledgeable and helpful, and has a good rapport with the class.

What I think could be improved:

 -It was very time consuming to always listen to all the students. I would prefer to just listen to a few of their ideas and to have more time to practise using the tools and looking at the websites.

What was new for me:

I would also like to take a course in:
