	X					

The dictionary interface worked well	5 ++	4 +	3 +/-	2 -	1 --	n.a.
			X			

What I liked best about the software:
 It was nice to look up a word without looking it up in a book - and it is cluttered.

What I think could be improved:
 Nothing

		X				

The dictionary interface worked well	5 ++	4 +	3 +/-	2 -	1 --	n.a.
				X		

What I liked best about the software:

It's easy to use, because you don't have to re write the word and you don't have to change the screen, because of the split screen

What I think could be improved:

Make the interface of the different dictionaries more alike, or simply combine them into one. In that way you only have to search in one combined dictionary.
