

The Cooks

May I have three lemon sole and today's vegetables?

Yes, thanks

Do you mind handing me the vegetables?

Yes, thanks!

What kind of a tone is that?

Listen! If you don't like the heat, get out of the kitchen

You have nothing to do in a kitchen

Where is my "Mise en Place"? (French term for having all your ingredients measured, cut, peeled, sliced, grated, etc. before you start cooking.)

That tray of shit, which was over there a moment ago?

Yes, smarty!

It's being cooled

Thanks, then we cannot have a run on time

How can that be my problem?

I have all my thing under control, man. Pull yourself together, man!

Thenm you have to be faster

Yes, we are running in five minutes

Thanks

Could you please take the plates on the electric cooker?

Damn, they are pissing hot, man! What are you thinking of, man?

Then you can learn it!

You have nothing to do in a kitchen, man!

What'll you do now?

What the heck are you doing, man?

Try to listen; you are not at home, are you?

Get lost, man!

Just get lost, man!
