What I liked best about the software:

The dictionary system is good implanted. The speed interface

What I think could be improved:

The website version looks like a BETA VERSION.
More languages should be considered (from inside European Union like Catalan, from outside European Union). More variety of exercises

Other suggestions

Other ICBT as TOEFL and IELTS could be considered as a model.

What I liked best about the software:

Eu gosto porque é interativo e também porque é mais fácil aprender e mais enriquecido.

What I think could be improved:

Por melhorar os exercícios temos que mudar para exercícios não de memória mas mais conceituais.
