|--------------------------------------|---------|--------|----------|--------|---------|------|
| The dictionary interface worked well | 5 ++ | 4 + | 3 +/- | 2 - | 1 -- | n.a. |
| | | X | | | | |

What I liked best about the software:

I knew all the words I needed to get translated. And it did it in easy danish words.

What I think could be improved:

If some don't understand two words there is next to each other it would be good if the program could put them together.

Other suggestions

I will use it in the future.

What I liked best about the software:

It's very user friendly and the idea is brilliant.

What I think could be improved:

Maybe you could improve the way the "click on word" translation looks. I think you could make it more easy to navigate through the dictionaries.

Other suggestions

Keep up the good work :)
